

Bison Brief

Volume No.7, Article 35

June 1, 2017

Lost and Found

The “Lost and Found” area has once again grown and grown. Please remind your child to check the area and/or when you are in the school, take time to check the area for your child’s items. It’s also a good idea to stop by the office if your child has lost their eyeglasses. We will remind children about Lost and Found during the last days of the school year and all remaining items will be bagged up and given to charity on Wednesday, June 7.

Changes for Next Year?

Will your child be at Summit next year? If you know you will be moving over the summer or changing schools within the District, please notify the office by calling 253-3000 or email Cathie Garoutte at: cathie_garoutte@natronaschools.org

Parents and family members, you’ll want to mark your calendars for the many upcoming events scheduled during the final two weeks of the school year. There is **NO SCHOOL** on **Monday, May 29** and then something special is happening each day until the last day of school, June 6. Daily events with times are listed in the next column. If you have questions or would like more information about any of these, please call the Summit office at 253-3000. We’ll be happy to help.

It is with mixed emotions that this is the last Bison Brief I will share with Summit children, families and staff. It has been a privilege and honor to serve as your principal for the past eight years. In that time the school has grown from 142 to 444 children and from 6 to 45 full-time staff. It’s been an incredible journey, one I will remember for the rest of my life. The hard work, and amazing creativity and passion of the staff who grace this school, coupled with the incredible support from families who trust us with their precious children have resulted in this extraordinary place known as Summit Elementary. I leave this school I love in the hands of people I adore. Many know that my mission is to live, laugh, love, learn and leave a legacy. And while I will not be your leader, I will continue to watch from afar and relish in your continued success.

Warmest Regards,

Anne

Dr. Anne Miles
Principal

Habit 8 - Find Your Voice

I have found something that I am good at and really like doing. I am proud, but do not boast. Instead, I use my gifts, talents and experience to help and inspire others. I am a Changemaker.
