4. Our first TRY-athlon was a success. We had a great number of students along with an amazing amount of volunteers. There are a few areas of interest for next year:

- information about acquiring free helmets for those who need them.
- maybe two water stations next year.
- place some kind of “buffer” at the bottom of hill where the track has a sharp turn.

- Wyoming Health Fairs approached Tassma regarding sponsoring our TRY-athlon next year. This would make it a Community Event.

5. Snack Shop – Thank You Tondi and Chris for volunteering to pick up items for our Snack Shop if/when Kelly needs help.
